Please see
the next page

Stofa will begin supplying your internet and TV on 6 April 2021

Please read this important information about the new internet and TV solutions and what you need to do before we begin supplying them.

REMEMBER: You can order TV, internet and telephony via the attached order form or even easier at: stofa.dk/vapnagaard

TV

- You must order your new TV package from Stofa. The packages have different numbers of channels, and you will certainly already be familiar with many of them. The TV channels may move around a little, so you may have to do a new channel search on your TV on 6 April. If you need help, you should simply contact us immediately.

Internet

- You must order your new internet from Stofa. We have solutions with speeds that exactly match your needs. So whether you just check emails and social media, watch the news, stream or rent movies online, we have the right internet solution and speed for you.

Telephony

- If you have a landline number that you would like to keep, you can order Stofa Telephony. We will then cancel your current agreement and transfer your phone number. Free of charge and free of hassle for you. Therefore, you do not need to cancel your subscription with your current supplier – simply order a new from us. We will take care of the rest. NB: You must order landline telephony by 14 March 2021.

Keep in mind that we are ready to help you find the right solution. If you are in any doubt, just call **75 18 74 31**. You can also meet us in person at Vapnagaard between 10:00-18:00 on 22-26 March 2021.

How to order

You can find information about internet, TV and telephony at stofa.dk/vapnagaard. Here you can also see the favourable association prices and order what you want – quickly and easily. We regularly update the website with relevant news. You can also find more information and use the order form in the attached material. If you use the order form, you must submit it by Friday 19 March 2021 at: The **Service Centre - Hovmarken 7, 3000 Helsingør**. If the office is closed, just drop the form off in the mailbox.

Collection of equipment

When your equipment is ready for delivery, we will have it ready for you here: The Service Centre – Hovmarken 7, 3000 Helsingør. Here you can collect everything and get answers to any questions you may have.

Until then, enjoy your day while you look forward to more new opportunities with your internet and TV.

Yours sincerely,
Stofa
