SuperWifi

-get the best out of your WIFI

Stofa SuperWifi consists of 1-4 physical units which extend and amplify your WIFI so that it covers your entire home. You can set everything up quickly and easily via an app, so you are up and running in a matter of minutes.

Not sure how much SuperWifi you need?
This depends on e.g. how many square meters your home has and whether it extends over several floors. We have made a guide to help you assess your requirements.
